with the financial support of
FS Bohemia Ltd.

and

**In 2024 Mendel University in Brno celebrates 105 years since it was founded.
The conference is held to celebrate this marvellous anniversary.**

The main topics of the conference:

- ✓ Components of the recreational and tourist potential of the territory – landscape character, geological formations, forest vegetation, non-wood forest products, water elements in the landscape and more
- ✓ Recreational and touristic use of the area and environmental impact assessment (water, air, waste...)
- ✓ The use of natural phenomena to support the regional development, the possibility of subsidies drawing
- ✓ Damage to parts of nature by the recreational use - examples of solutions, experiences, good practices from the Czech Republic and from abroad
- ✓ Environmental education
- ✓ New trends in recreational use of the landscape (new kinds of sports, minimizing of the environmental impacts, new technologies...)
- ✓ Research results in the field of recreational use of the landscape
- ✓ Visitor monitoring

Organization Instructions

Conference languages: Czech, English, Slovak

Contribution language: English (see guidelines)

Please, prepare the **presentations** in English. While presenting, you can speak all the conference languages.

The Scientific Committee of the conference reserves the right not to include the full version of the paper in the proceedings if it is not in line with the conference themes. Similarly, the Scientific Committee reserves the right not to include an article in the proceedings if it is not an original scientific paper or scientific communication.

The proceeding will be sent for evaluation to Clarivate Analytics and allocation Conference Proceeding Citation Index. The proceedings from the years 2010-2019 are included in the Web of Science™ Core Collection and from the years 2010, 2012- 2023 are included in the Scopus database.

The proceedings with full versions of papers will be published online and in a printed form. Articles in the proceedings will be assigned a DOI and each author submitting an article to the proceedings must declare that all authors agree to publish as **Open Access** and to the Creative Commons license (**CC-BY 4.0**).

If you have any questions, please do not hesitate and ask by the e-mail (raop@atlas.cz).

We look forward to your participation.
Conference Organizational Committee
